Hello everyone,

We break up for half term today, which means that remote learning will take a break.

Thank you and well done for your hard work this half term everyone. Keep safe and have a good break away from your screens.  
Happy pancake making!

Thankyou

### MOTHER'S DAY March 14<sup>th</sup>

Our annual competition will go ahead this year and we welcome entries from everyone this year electronically! Please share your artwork, it could be a painting, a drawing, a sculpture. Remember that it could be a grandma or an auntie if you don't live with your mum.

Please email a copy of your artwork to the office with your name on and the name of the lady and one completed sentence "I love my... because....."

There will be a prize for every entry and a grand prize for 2 big winners.

# Happy Half Term

Remote learning will resume  
on Monday February 22<sup>nd</sup>.

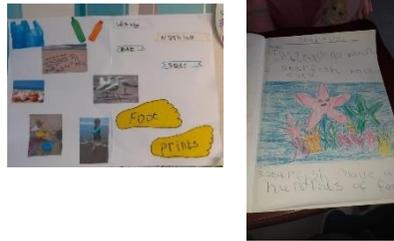

## FS1

Wow, what a busy half term our FS1 children have had. From learning about kings, queens and castles to exploring space, planets and toys – we've covered it all! They have blown us away with their hard work, effort and determination this term – you are all amazing. Have a lovely break everyone – you really do deserve it. We can't wait until the day we are all reunited.

## FS2

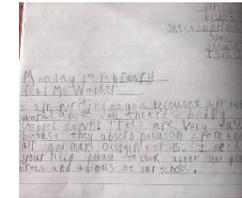

We are all so incredibly proud of our amazing FS2 children. You have impressed us all so much with how much effort you have put into your remote learning tasks. You have made us smile every single day! We have really enjoyed learning all about our local area, especially the seaside animals that live there. You have earned this half term break boys and girls – have lots of fun! We are looking forward to seeing you all again soon.

## Y1

We are immensely proud of our Y1 children. Your motivation, creativity and continued efforts have impacted on all your successes this term! The posters, letters, protestors and plaques you created, have shown how equipped you are to care for our beautiful planet. When we are all back together, we will be able to develop some of your ideas in the outdoor green spaces. Have a wonderful break – you truly deserve it!

## Y2

This has been a half term like no other! We are sure that all the children and parents agree! We are incredibly proud of the hard work and enthusiasm that the Year 2 team have shown throughout the last six weeks. We have explored

the storybook Journey and it is very apt as this has been an incredible journey for all of us. The work that has been shared has been phenomenal.

Thank you to everyone for getting involved and showing such resilience and eagerness throughout!

## Y3

We are so very proud of all our Y3 children. You have tackled your remote learning with resilience, determination and superb effort! We have enjoyed exploring Italy and learning all about Mount Vesuvius. It has been great to see you all learning to play the recorder too! Have a lovely rest and we can't wait to be all back together soon.

Wow Year 4! From Earthquakes to Native Americans, you have attacked remote learning with confidence, enthusiasm and huge smiles. You have continued to amaze your teachers with the incredible quality of your tasks and your ability to adapt to whatever is thrown at you. Happy holidays our little superstars!

## Y4

## Y5

Year 5 we are so so proud of the readiness and resilience you have shown with remote learning this half term. You have produced some wonderful pieces of work. Have some

time to relax and switch off and be ready to go after the holidays. Hopefully we can all be together soon. We miss you all.

## Y6

We are very proud of our Y6 children, who have worked their socks off with remote learning. We have enjoyed exploring Antarctica and learning all about Shackleton's journey. A tough six-week term and now for a week of rest.

Enjoy and relax everybody – you have earned it! We can't wait to be back in the classroom together.
