## Dear Families, How are you? How are your families?

I have written out to FS, Year 1 and Y6 families (Y2, 3, 4 and 5 children will remain home at present) this week as the government has called for the partial reopening of school shortly; although the final decision will be dependent upon covid-19 infection rates.

The health and safety of your children and our staff is paramount. The decision for your child to return to school is a big one and it is yours to make and whether you decide to keep your child at home or return them to school, we will support your decision, we understand. As I write out of the 191 families that have responded so far, 47 children would like to return to school.

Preparations are underway to modify classrooms and routines. We will keep you updated.

Keep safe  
Ms Walker

## LUNCH VOUCHERS

The government will not release vouchers over the half term week. They will resume on June 1<sup>st</sup>

Why couldn't the pony sing?

He was a little hoarse

**I am hugely grateful to our fantastic staff who have kept our school open five days a week, every week since our 'closure' on March 20<sup>th</sup>. Five-a-days have been posted daily to keep learning fresh and this has been juggled with childcare duties in school and the demands of family life at home. THANKYOU**

**We'd like to thank Loftus Young Farmers East Cleveland Good Neighbours and a number of families for their thoughtful donations to our staffroom, as well as their good wishes.**
