Dear Families,  
How are you?

We have had a quiet, safe and productive week in school. We now have 132 pupils attending. That is almost 30% of our full time pupils. Under current guidelines school is full.

We are busy starting our transition work for the new school year. Look out for information about your new class and new class teacher!

Keep safe everyone, Ms Walker

## HOME LEARNING & SCHOOL LEARNING

You have done so well with your learning over the last 14 weeks, your families deserve a medal too!. We have decided that your 5 a days will stop on Friday July 3<sup>rd</sup>. Staff have been busy designing a special booklet for you all that will guide you through the last eight weeks before we return to school in the new term.

We are living through a significant historical event; the pandemic of 2020! We thought it would be good idea to have a keepsake booklet; a passport, loaded with important information about you, as well as a record of your learning tasks.

Three booklets have been designed and they will be given to you in paper form (delivered to home for those of you not in school) to complete over the coming weeks. All booklets shared with us in September (including our leavers in 46) will receive a special award.

Look out for your copy in the next week or so!
