This year has been quite a challenge, one that we couldn't foresee
 As the Headteacher at Skelton Primary School, lot of wonderful things have been different for me
 We've been mask wearing and keeping our distance, washing hands and resources a lot
 Staying in our bubbles and within our designated spots
 We've had to provide remote learning, when bubbles popped, we closed to all but a few
 Using TEAMS to set challenges and learning, it's all been quite different and new.
 We've not had parents in our building, events have been altered or stopped.
 Weekly celebrations have only been virtual and trips and visits have all been dropped
 Weekly singing has been missed from our timetables, we have mainly stayed in our class
 We haven't been gathering together inside, nor even sharing PROMS enmasse
 Through all of this change our common purpose stayed strong,
 for all children to feel safe, happy and loved
 Learning widely and continually progressing, our teachers have gone beyond and above.
 Thank you for the part you have played this school year, in getting us safely to the end
 supporting our rules, following our guides,
 on you we knew we could depend.

Thank you, goodbye & good luck to Miss Taylor, Miss O'Callaghan, Miss Anderson, Miss Brown & Miss Burns and our WONDERFUL Y6!

Huge thank you to the wonderful staff of S.P.S. who have made such a tricky year bearable & fun!

HAPPY SUMMER EVERYONE, see you on Sept 2nd.
 Ms Walker

Well done and thank you to our incredible HEADBOY & GIRL Lucas & Delilah

New FS1

Our nursery children have had a calm and settled week, and have adjusted to either their new nursery and/or meeting their new teachers. It has been lovely to watch new friendships form and to see how well the children have interacted with each other. They have loved exploring; under rocks, in webs and inside of pots and wood for minibeast and constructing and designing their own roadways for vehicles to travel along. We are so proud of them!

Have an enjoyable summer break and we look forward to seeing you all again in September!

New FS2

Our children have had a wonderful start to their Reception journey this week. They have settled into their new classrooms, with their new teachers and peers with such ease and it has been pleasing to see how happy and excited they are on this new and exciting journey. We have had a fantastic first week together, getting to know each other and adjusting to full-time school. We hope you have a wonderful summer break everyone and we look forward to picking up where we left off in September!

New Y1

We are so incredibly proud of how well our Year 1 children have settled into their new classes this week. They have enjoyed spending time getting to know their new teachers and sharing their skills and talents with their friends. They are now so settled in their new classrooms and the Year 1 environment, which is lovely to see. They are always especially excited when we get to visit the Key Stage 1 playground! It has been wonderful to see them all so happy, having fun and building new friendships this week. We hope you all have a fantastic summer break Year 1. We are all really looking forward to September!

New Y2

What a lovely week we have had in Skelton's new Year 2! The children came in on Monday with impressive confidence, enthusiasm and the smiliest faces! We have enjoyed reading "The Lion Inside", turning ourselves into roaring lions and asking the mouse that came to visit some tricky questions! Have a wonderful summer and we will look forward to welcoming you back in September.

New Y3

It has been quite delightful to see how the children have

settled with such ease into their new classrooms at the other side of school

with their new teachers. The children have been fantastic and

proved once again what a splendidly resilient bunch!

We have enjoyed a lovely week getting to know each

other and simply can't wait to start in September. Have a well-deserved rest children and make sure that you enjoy your summer holiday.

New Y4

It has been an absolute pleasure for myself and Miss Solomon to once again teach these wonderful children and see the way in which they have developed since we last taught them. The children have settled extremely well and we have thoroughly enjoyed reacquainting whilst going on our own adventure. Have a fantastic summer and we can't wait to get going again in September.

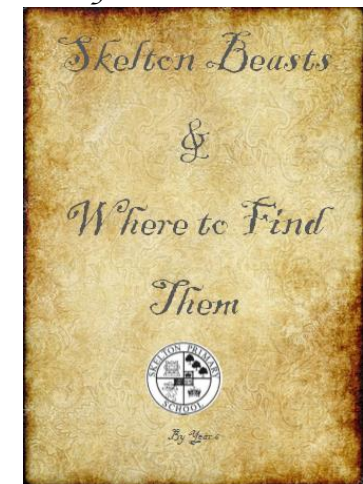

New Y5

Our Year 5 classrooms have been filled with fun, laughter and spaghetti! The children have returned and settled wonderfully in to our new routines. We have thoroughly enjoyed getting to know each other through a variety of team building activities where the children's resilience has shone through. Enjoy the summer holidays and we look forward to seeing you in September.

New Y6

Although cut short, we had a wonderful two days transition with our new Y6 children. There was an air of excitement at seeing our new classrooms, lockers and teachers. Our 'Skelton Beasts' project was started and will continue in September. Have a lovely summer everybody! Rest up and recuperate - it has been a tricky old year, but we have so much to look forward to!

Summer Reading Challenge at Skelton Library

Up for a challenge this summer? You will need to read (or be read to) 6 books from our library in the July & August period.

The theme this year is 'Wild World Heroes'.

You will be given a little starter pack and then receive stickers and treats along the way. You will receive a certificate & medal when you finish. Check out 'summerreadingchallenge.org.uk' for more.

This is a brilliant way to encourage reading and we have always found that any children doing it have thoroughly enjoyed the experience.

Skelton Library:

Mondays, Tuesdays, Thursdays & Fridays – 10am-4pm each day.
